

Having Issues With Your Call Bell system?

- *Are you having difficulty finding parts or service for your system?*
- *Are you paying too much and too often for service calls?*
- *Do you need to make changes to your system to comply with Ministry of Health Inspections?*
- *Do you need a short term solution that will carry you through until major renovations take place?*

- *Is your current provider recommending an expensive replacement as the only solution?*

Call us today for a no cost evaluation of your system. We will provide a customized solution and excellent on-going service.
